## Fill in the gaps

Get lost in your songs

Without any pain
How long will you suffer?
How long will you reign
You see the friend that I knew?
Cannot be found
Replaced by another
Wearing his crown
Theres a place where I go
Without any sound
Only you can reach me
Only (1) allowed
And youre so far away
Youre so far (2) here
Do you remember
Our time without tears?
When you're falling
I will catch you
You dont have to fall that far
You can make it
I will be there
You were broken from the start
When you were a child
You'd (3) all day long
You'd dream of the future

Now (4) time is gone
Its lost for you now
Words long forgotten
Forgotten somehow
When you're falling
I will catch you
You dont have to fall that far
You can make it
I will be there
You were broken from the start
When you're falling
I will catch you
You dont have to fall (5) far
You can make it
I will be there
You were broken from the start
When you're falling
I will (6) you
You (7) have to (8) that fail
You can make it
I will be there
You were broken from the start
