

Fill in the gaps

r you want control	Get lost in your songs
Vithout any pain	Now (12) is gone
How long will you suffer?	Its lost for you now
How long will you reign	Words long forgotten
ou see the friend (1) I knew?	Forgotten somehow
Cannot be found	When you're falling
Replaced by another	I will catch you
Vearing his crown	You dont (14) to fall that far
Theres a place where I go	You can (15) it
Nithout any sound	I (16) be there
Only you can (2) me	You were broken (17) the start
Only youre allowed	When you're falling
And youre so far away	I (18) catch you
oure so far (3) here	You (19) have to fall that far
Do you remember	You can make it
Our time without tears?	I will be there
Vhen you're falling	You (20) broken (21) the start
(4) catch you	When you're falling
ou dont (5) to (6) (7) far	l will (22) you
ou can make it	You dont (23) to fall (24) far
(8) be there	You can make it
ou were (9) from the start	I will be there
When you (10) a child	You were (25) from the start
∕ou'd dream all day long	
ou'd (11) of the future
