So ashamed so confused

Fill in the gaps

Warrior (Acoustic Cover) by Kait Weston & Jameson Bass

This is a story that I've never told	I'm not (/) or bruised
I (1) get this off	Now I'm a warrior
My chest to let it go	Now I've got thicker skin
I need to (2) back	I'm a warrior
The (3) inside you stole	I'm (8) than I've ever been
You're a criminal	And my armor
And you steal like you're a pro	Is made of steel
All the pain and the truth	You can't get in
I wear like a battle wound	I'm a warrior
So ashamed so confused	And you can never hurt me
I was broken and bruised	There's a part of me I can't get back
Now I'm a warrior	A little girl grew up too fast
Now I've got thicker skin	All it took was once
I'm a warrior	I'll never be the same
I'm stronger than I've (4) been	Now I take it back my life today
And my armor	Nothing (9) that you can say
Is made of steel	'Cause you (10) never
You (5) get in	Gonna take the blame anyway
I'm a warrior	Now I'm a warrior
And you can never hurt me again	Now I've got thicker skin
Out of the ashes	I'm a warrior
I'm burning like a fire	I'm stronger than I've ever been
You can save your apologies	And my armor
You're (6) but a liar	Is made of steel
I've got shame	You can't get in
Yeah, I've got scars	I'm a warrior
That I'll never show	And you can never hurt me again
Yeah, I'm a survivor	
I'm always and you know	No no no
'Cause all the pain and the truth	You can never hurt me again
I wear like a battle wound
