

Yeah, you must be a miracle worker

## Fix a Heart (An Intimate Performance) by Demi Lovato

t's (1)	what's best for you	Swearin' up and down
only want the best for you		You can't fix what's been broken, yeah
And if I'm not the best, then you're stuck		Please don't get my hopes up, no no
try to sever ties and I		Baby, tell me how could you
Ended up with wounds to bind		Be so cruel?
Like you're pouring salt in my cuts		It's like you're pouring salt in my cuts
And I just ran out of band-aids		Baby, I just ran out of band-aids
don't even know where to start		I don't even know where to start
Cause you can bandage the damage		'Cause you can bandage the damage
You never (2)	can fix a heart	You (8) really can fix a heart
Even though I know what's wrong		Baby, I (9) ran out of band-aids
How can I be so sure		I don't even know where to start
f you (3) say	(4) you feel (feel)?	'Cause you can bandage the damage
must have held your hand so tight		You never really can fix a heart
You didn't (5) th	ne will to fight	(Oh) no no no no
guess you needed more (6) to heal		You never really can fix a heart
Baby I (7) ran out of band-aids		(Oh) no no no no
don't even know where to start		You never really can fix heart
Cause you can bandage the damage		
You never really can fix a heart		You never really can fix my heart
