Fix a Heart (An Intimate Performance) by Demi Lovato

It's probably what's best for you	Swearin' up and down
I only (1) the best for you	You can't fix what's been broken, yeah
And if I'm not the best, (2) you're stuck	Please don't get my (5) up, no no
I try to (3) ties and I	Baby, (6) me how (7) you
Ended up with wounds to bind	Be so cruel?
Like you're pouring salt in my cuts	It's like you're pouring salt in my cuts
And I just ran out of band-aids	Baby, I just ran out of band-aids
I don't even know (4) to start	I don't even (8) where to start
'Cause you can bandage the damage	'Cause you can bandage the damage
You never really can fix a heart	You never really can fix a heart
Even though I know what's wrong	Baby, I just ran out of band-aids
How can I be so sure	I don't even know where to start
If you never say what you feel (feel)?	'Cause you can (9) the damage
I must have held your hand so tight	You never really can fix a heart
You didn't have the will to fight	(Oh) no no no
I guess you needed more time to heal	You never really can fix a heart
Baby I just ran out of band-aids	(Oh) no no no
I don't even know where to start	You never really can fix heart
'Cause you can bandage the damage	
You never really can fix a heart	You never really can fix my heart
