## Fix a Heart (An Intimate Performance) by Demi Lovato

It's probably what's best for you	Swearin' up and down
I only (1) the best for you	You can't fix what's been broken, yeah
And if I'm not the best, then you're stuck	Please don't get my hopes up, no no
I try to sever (2) and I	Baby, tell me how could you
Ended up (3) wounds to bind	Be so cruel?
Like you're pouring (4) in my cuts	It's (9) you're pouring salt in my cuts
And I (5) ran out of band-aids	Baby, I just ran out of band-aids
I don't even know where to start	I don't even know where to start
'Cause you can bandage the damage	'Cause you can (10) the damage
You never really can fix a heart	You never really can fix a heart
Even though I know what's wrong	Baby, I just ran out of band-aids
How can I be so sure	I don't even know where to start
If you never say what you feel (feel)?	'Cause you can bandage the damage
I must have held your hand so tight	You never really can fix a heart
You didn't have the will to fight	(Oh) no no no
I guess you needed more time to heal	You never really can fix a heart
Baby I just ran out of band-aids	(Oh) no no no
I don't (6) (7) where to start	You never really can fix heart
'Cause you can bandage the damage	
You (8) really can fix a heart	You never really can fix my heart
