|---|---|
| Would you believe me?                       | For that one special kiss               |
| Would you agree?                            | (Oh) I can't believe it's (11) to me    |
| It's almost that feeling                    | Some (12) wait a lifetime               |
| We've met before                            | For a moment like this                  |
| So tell me that you don't think I'm crazy   | Could this be the greatest love of all? |
| When I tell you (1) has come here and now   | I (13) know that you (14)               |
| A (2) this                                  | (15) me (16) I fall                     |
| Some people wait a lifetime                 | So let me tell you this                 |
