Let our lovers play the fool

### Fill in the gaps

### Hold On To The Nights by Richard Marx

Just when I believed	I don't (6) how
I couldn't ever want for more	To stop feeling this way
This (1) changing world	Hold on to the nights
Pushes me through another door	Hold on to the memories
I saw you smile	If only I could give you more
And my mind could not erase	Well, I (7) I've been true
The beauty of your face	To everybody else but me
Just for a while	And the way I feel about you
Won't you let me shelter you (ooh)	Makes my heart (8) to be free
Hold on to the nights	Every time I look (9) your eyes
Hold on to the memories	I'm helplessly aware
I wish that I (2) (3) you something	That the someone I've been searching
more	For is right there
That I could be yours	Hold on to the nights
How do we explain	Hold on to the memories
Something that (4) us by surprise?	I'm wishing I could give you more
Promises in vain	(Ooh)
Love (5) is real, but in disguise	Hold on to the nights
What happens now?	
Do we break another rule?
