

Calling out father (oh) Hold fast and we will

Fill in the gaps

(Oh) Misty eye of the mountain below		Watch the flames burn auburn on
Keep (1)	(2) of my brothers'	The mountain side
souls		Desolation comes upon the sky
And should the sky be filled with		Now I see fire
Fire and smoke		Inside the mountain
Keep watching (3)	Durin's sons	I see fire
If this is to end in fire		Burning the trees
Then we should all burn together		And I see fire
Watch the flames climb high		Hollowing souls
Into the night		I see fire
Calling out (4)	(oh)	Blood in the breeze
Stand by and we will		And I hope (12) you remember me
Watch the flames (5) auburn on		And if the night is burning
The mountain side		I will (13) my eyes
High		For if the (14) (15) then my
And if we should die tonight		Brothers (16) die
We should all die together		And as the sky is falling (17) it
Raise a glass of wine		Crashed into this lonely town and
For the (6) time		With that shadow upon the ground I
Calling out father (oh)		Hear my people (18) out
Prepare as we will		Now I see fire
Watch the (7)	burn (8) on	Inside the mountains
The (9)	_ side	I see fire
Desolation comes upon the sky		Burning the trees
Now I see fire		I see fire
Inside the mountain		Hollowing souls
I see fire		I see fire
Burning the trees		Blood in the breeze
And I see fire		I see fire
Hollowing soul		(Oh) You (19) I saw a city burning out (fire)
I see fire		And I see fire
Blood in the breeze		Feel the (20) upon my skin (fire)
And I hope that you (10) me		And I see fire
(Oh) Should my people fall in		(Uh-uuh-uh-uuh) (Fire)
Surely I'll do the same		And I see (21) burn auburn on the mountain side
Confined in mountain (11)) we	
Got too close to the flame
