Feel the vibe, feel the terror, feel the pain	Trouble is your middle name
It's driving me insane	But in the end you're not too bad
I can't fake	Can someone tell me if it's wrong to be
For God's sake, why am I	So mad about you
Driving in the (1) lane	Mad (8) you
Trouble is my middle name	Mad about you
But in the end I'm not too bad	Mad about you
Can someone (2) me if it's (3) to be	Mad
so mad about you	Give me all your true hate
Mad about you	And I'll (9) it in (10) bed
Mad	Into never seen passion
Are you the fishy wine who will give me	That is why I am so mad about you
A headache in the morning	Mad about you
Or just a (4) (5) land mine	Mad about you
That'll explode without a (6) warning	Mad about you
Give me all your true hate	Mad about you
And I'll translate it in our bed	Mad about you
Into never seen passion, never seen passion	Mad about you
That's why I am so mad (7) you	
Mad about you
