The snow glows white on the mountain tonight		And break through
Not a footprint to be seen		No right, no wrong
A kingdom of isolation		No rules for me
And it (1) like I'm the queen		I'm free
The (2) is howling like this swirling storm inside		Let it go
Couldn't keep it in, heaven knows I've tried		Let it go
Don't let them in		I am one with the wind and sky
Don't let them see		Let it go
Be the good girl you always have to be		Let it go
Conceal, don't feel		You'll never see me cry
Don't let them know		Here I stand
Well, now they know		And here I'll stay
Let it go		Let the storm rage on
Let it go		My power flurries through the air (6) the ground
Can't (3) it back anymore		My soul is spiraling in frozen fractals all around
Let it go		And one thought crystallizes (7) an icy blast
Let it go		I'm never going back
Turn away and slam the door		The past is in the past
I don't care		Let it go
What they're going to say		Let it go
Let the storm rage on		When I rise like the (8) of dawn
The cold never (4)	me anyway	Let it go
It's funny how some distance		Let it go
Makes everything seems small		That perfect girl is gone
And the fears that once (5)	me	Here I stand in the (9) of day
Can't get to me at all		Let the storm rage on
It's time to see		The cold never bothered me anyway
What I can do		
To test the limits
