

Fill in the gaps

The snow glows white on the mountain tonight	And break through
Not a (1) to be seen	No right, no wrong
A (2) of isolation	No rules for me
And it looks (3) I'm the queen	I'm free
The wind is howling like this swirling (4) inside	Let it go
Couldn't keep it in, heaven knows I've tried	Let it go
Don't let them in	I am one (13) the wind and sky
Don't let them see	Let it go
Be the (5) you always have to be	Let it go
Conceal, don't feel	You'll (14) see me cry
Don't let them know	Here I stand
Well, now (7) know	And here I'll stay
Let it go	Let the storm (15) on
Let it go	My (16) flurries (17) the air
Can't hold it back anymore	(18) the ground
Let it go	My (19) is (20) in frozen
Let it go	fractals all around
Turn away and (8) the door	And one (21) crystallizes (22)
I don't care	an icy blast
What they're going to say	I'm never (23) back
Let the storm rage on	The past is in the past
The cold never (9) me anyway	Let it go
It's funny how (10) distance	Let it go
Makes everything (11) small	When I (24) like the break of dawn
And the (12) that once controlled me	Let it go
Can't get to me at all	Let it go
It's time to see	That perfect girl is gone
What I can do	Here I stand in the light of day
To test the limits	Let the storm rage on
	The cold never (25) me anyway
