Know there was something that	I will leave my mark so everyone will know
And something that I left behind	I was here
When I leave this world	I just want them to know
I'll leave no regrets	That I (9) my all, did my best
Leave something to remember	Brought someone to hapiness
So they won't forget	Left this world a little better just because
I was here	I was here
l lived, I loved	I was here
I was here	I lived, I loved
I did, I've done	I was here
Everything that I wanted	I did, I've done, everything that I wanted
And it was more than I thought it would be	And it was more (10) I thought it would be
