

Fill in the gaps

I'm (1) on a memory	We all (15) of leaving
To get me out of here	But wind up in the end
I'm waiting for the fog around	Spending all our time
This spooky (2) town to clear	Trying to get (16) home again
All (3) time I spent being	Could have been a jailbreak
Someone else's friend	And a (17) hitting me
Just one more time	Or was I just some nightclub singer
For old time's sake	Back in 1963
I'd like to go (4) home again	In the old part of Valencia
The world had (5) wonders	On the coast of Spain
Once upon a time	Never tiring once of (18) songs
It's (6) enough the (7) nations	About going (19) again
Aided (8) decline	If I (20) go (21) home
And all around me	If I could go (22) home
I've seen times	If I'd never left
Like it was (9) when	I'd never have known
But like back then	We all dream of leaving
I'd say a men	But wind up in the end
If I could get (10) again	Spending all our time
If I (12) go back home	Trying to get back (23) again
If I could go back home	
If I'd (13) left	
I'd (14) have known
