

Fill in the gaps

Somebody remind me where I am	And we can't hear what they say
Miami or Timbuktu?	Up in my air balloon, air balloon, air balloon
Did I (1) tell you my uncle's monkey ran away from	Sing, sing along, (17) any song you want to
the zoo?	Now we're so high, it can't rain
Would you tell me (2) this all means?	Up in my air balloon, air balloon, air balloon (ha)
What happens if I go through that door?	Na na na na na nammmm
Cause I'm looking up at the ceiling, but it's turning into the	Na na na na na nammmm
floor	Na na na na na nammmm
When I'm bored, I, kinda drift away,	Na na na na na nammmm
I'm not sure, quite, why we (3) all day	Shake it, sh- (18) it now
I've been thinking, and I've got this plan	Gimme, gimme some
Let's go, right now	Sailing sa-sailing through the clouds
Come meet me in the sky I'll be (4) for you	Trippin' trip (19) it now
And we can't hear (5) they say	Shake it, sh- shake it now
Up in my air balloon, air balloon	Gimme, gimme some
Sing, sing along, (6) any (7) you	Sailing sa-sailing through the clouds
(8) to	Trippin' trip trip it now
Now we're so high, it can't rain	Come (20) me in the sky I'll be waiting for you
Up in my air balloon, air balloon, air balloon (ha)	And we can't hear what they say
Na na na na na nammmm	Up in my air balloon, air balloon, air balloon
Na na na na na nammmm	Sing, sing along along any song you want to
I don't like (9) names but Kurt Cobain is	Now we're so high it can't rain
all in my face	Up in my air balloon, air balloon, air balloon
How the hell am I gonna tell him (10) already	Come meet me in thisNa na na na na na
took first base?	
In and out of the (11) this (12) is	
(13) altitude, all we need	
Is a little more elevation, take me (14) to where I	
can breathe.	
When I'm bored, I, kinda (15) away	
I'm not sure, quite, why we work all day	
I've been thinking, and I've got this plan	
Let's go, (16) now	
Come meet me in the sky I'll be waiting for you	

1. ever

- 2. what
- 3. work
