## Air Balloon by Lily Allen

## Fill in the gaps

Somebody remind me where I am	And we can't hear what (8) say	
Miami or Timbuktu?	Up in my air balloon, air balloon, air balloon	
Did I ever tell you my uncle's monkey ran away from the zoo?	Sing, sing along, along any song you want to	
Would you (1) me what this all means?	Now we're so high, it can't rain	
What happens if I go through that door?	Up in my air balloon, air balloon, air (9)	(ha)
Cause I'm looking up at the ceiling, but it's turning into the	Na na na na na nammmm	
floor	Na na na na na nammmm	
When I'm bored, I, kinda drift away,	Na na na na na nammmm	
I'm not sure, quite, why we work all day	Na na na na na nammmm	
I've been thinking, and I've got this plan	Shake it, sh- (10) it now	
Let's go, right now	Gimme, gimme some	
Come (2) me in the sky I'll be waiting for you	Sailing sa-sailing through the clouds	
And we can't hear what they say	Trippin' trip trip it now	
Up in my air balloon, air balloon, air balloon	Shake it, sh- shake it now	
Sing, sing along, along any song you (3) to	Gimme, gimme some	
Now we're so high, it can't rain	Sailing sa-sailing through the clouds	
Up in my air balloon, air balloon, air balloon (ha)	Trippin' trip trip it now	
Na na na na nammmm	Come meet me in the sky I'll be waiting for you	
Na na na na nammmm	And we can't hear what they say	
I don't like dropping (4) but Kurt Cobain is all in	Up in my air balloon, air balloon, air balloon	
my face	Sing, sing along along any song you want to	
How the (5) am I gonna tell him Elvis	Now we're so high it can't rain	
(6) took first base?	Up in my air balloon, air balloon, air balloon	
In and out of the blue this cruise is losing altitude, all we need	Come meet me in thisNa na na na na na	
Is a little more elevation, take me back to where I can breathe.
