

Fill in the gaps

We were (1) and (2) in the park
There was nowhere else to go
And you said you (3) had my back
Oh but how were we to know
(4) these are the days that (5) you together, forever
And these little things (6) you forever, forever
All this bad blood here, won't you let it dry?
It's (7) cold for years, won't you let it lie?
If we're (8) looking back
We (10) drive ourselves insane
As the (11) goes resentment grows
We will (12) our different ways
But those are the (13) that (14) us together, forever
And those (15) (16) us forever, forever
All this bad (18) here, won't you let it dry?
It's been cold for years, won't you let it lie?
And I don't wanna hear (19) the bad (20) anymore
I don't (21) hear you (22) about it anymore
I don't (23) about the bad blood anymore
I don't wanna (25) you talk about it anymore
All (26) bad blood here, won't you let it dry?
It's been cold for years, won't you let it lie?
