I Love My Computer by Bad Religion

I (1)_____ my computer
You make me feel alright
Every waking hour
And every lonely night
I love my computer
For all you give to me:
Predictable errors and no identity
And it's (2)_____ been (3)_____ so easy
I've (4)_____ been quite so happy
All I (5)_____ to do is (6)_____ on you
And we'll be joined
In the most soul-less way
And we'll never ruin each other's day
'cuz when I'm through I just click
And you just go away
I love my computer
You're always in the mood
I get so turned on

When I turn on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never been quite so easy
I've never been quite so happy
The world outside is so big
But it's safe in my domain
Because to you
I'm just a number
And a clever (7)_____ name
All I need to do is (8)_____ on you
And we'll be together for eternity
And no one is (9)_____ gonna take my love
From me because I've got security
Her (10)_____ and a key
