Time	I know you feel the same as inside
is the reason why we fight to stay alive	It feels like in a dream where we can fly
until the morning comes	Like a sing
It's a strife	Like a dream
but the shimmer in your eyes just makes me (1)	You're my (7)
that You and I (2)	You are all needed, believe me
And you can light the dark all by your own	like we drift in a stream
So let us (3) the world our love is	Your beauty (8)
(4)	There's nothing else in life i ever need
Like a sing	My dream, Amaranthine
Like a dream	It's a strife
You're my Amaranthine	but the shimmer in your eyes
You are all needed, believe me	just makes me know
like we drift in a stream	You're my Amaranthine
Your beauty serene	Like a sing
There's nothing else in life i ever need	Like a dream
My dream, Amaranthine	You're my Amaranthine
Time	You are all needed, believe me
Goes by as day and (5)	like we drift in a stream
are turning into years	Your beauty (9)
But I'm lying in your arms	There's nothing else in life I ever need
It's the place	My dream, Amaranthine
Where I know that I am closest to your heart	
Where the (6) is torn apart
