Fill in the gaps

Now I'm in town,

You Need Me, I Don't Need You by Ed Sheeran

Break it down
Thinking of making
a new song.
Playing a different show
every night in front of a
new crowd that's you know, ciao
Seems that (1) is great now
See me lose focus
as I sing to you loud
And I can't, no, I won't hush.
I'll say the words
that makeyou blush
I'm (2) sing (3) now-ow-ow
See, I'm true, my songs are
were my heart is
I'm like glue, I stick to
other artist
I'm not you, no that would
be disastrous.
Let me sing and do my
thing and move to greener
postures
See, I'm real, I do it all,
it's all me.
I'm not fake, don't ever
call me lazy
I won't stay put
Give me the chance

inglès
to be free.
Suffolk sadly seems to sort
of suffocate me.
'Cause you need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you at all
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you
You need me man, I don't need you at all
You need me.
I sing, I write my own tune
and I write my own verse, hell
Don't need another wordsmith
to (4) my (5) sell.
Call yourself a singer/writer,
you're just bluffing.
Name's on the credits and
you didn't write nothing.
I sing fast, I know that all
my shit's cool.
I will blast and I didn't go
to BRIT school.

I came fast with the way

I can't last, if I'm smoking

And I won't be a product

My mind will always be

I act, right.

on a crack pipe.

of my genre

stronger than my songs are.

Never believe the bullshit

that fake guys feed to ya.

Always read the stories

that you hear on Wikipedia.

And musically I'm

demostrating.

When I perform live feels

like I am meditating.

Times at The Enterprise

when some fella filmed me.

Young singer-writer like a

Gabriella-Cilmi.

'Cause you need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you at all

You need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you at all

You need me.

'Cause with the lyrics I'll

be aiming it right

I won't stop 'till my name's

in lights, at stadium heights

with Damien Rice,

On red carpets,

now I'm on Arabian nights

Because I'm young I know

my brother's gonna give me advice

Long nighter, short height
and I'm going hyper.
Never be anything but a
singer/songwriter
The game's over but now
I'm on a new level.
Watch how I step on the
track without a loop pedal.
People think that I'm
bound to blow up,
I've done around about a
thousand shows, but
I haven't got a (6) plus
I live on the couch.
So you believe the lyrics
when I'm singing them out, wow!
From day one, I've been
prepared, with VO5 wax for my
ginger hair. So now I'm back to
the sofa giving a dose of what the
future holds. 'Cause it's another day.
Plus I keep my last name
forever, keep this genre pretty basic
Gonna be (7) into other
people tunes when I chase it.
And replace it with the
elephant in the room

with a facelift.

using new laces.

Into another rapper's shoes

I'm selling CD's from my rucksack,

Aiming for the papers.
Selling CD's (8) my rucksacks
Aiming for majors.
Nationwide tour with Just Jack,
still had to get the bus back.
Clean-cut kid withot a
razor for the mustache.
I hit back when the pen
hurts me.
I'm still a choir boy in a
Fenchurch tee.
I'm still the same as a year
ago but (9) people
hear me though.
According to the MuySpace
and YouTube videos.
I'm always doing shows,
if I'm not, I'm in the studio.
Truly broke, never growing
up. Call me Rufio.
Melody music maker, reading
all the papers, They say I'm
up-and-coming like I'm
fucking in an elevator.
'Cause you need me man, I don't need you
You (10) me man, I don't need you
You need me man, I don't need you at all

You need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you

You need me man, I don't need you at all

You need me man, I don't need you.
