

Fill in the gaps

I was feeling sad,	No sense of time
Can't (1) looking back	(I'd) like you to stay
Highways flew by	Want keep you inside
Run, run, run away	All along, not so (5) without (6)
No (2) of time	open arms
'd (3) you to stay,	Hold on tight
Nant keep you inside	All along, not that strong (7) these open
Run, run, run away	arms
_ost, lost, lost my mind	Lie beside
(I'd) like you to stay	All along, not so strong without these open arms
Nant you to be my prize	Ride beside
Run, run, run away	Run, run, run away
_ost, lost, lost my mind	Lost, lost, lost my mind
(I'd) like you to stay	Like you to stay
Nant you to be my prize	Want you to be my prize
was feeling sad	Run, run, run away
Can't (4) looking back	Lost, lost, (8) my mind
Highways flew by	Like you to stay
Run, run, run away	Want you to be my prize
