

Fill in the gaps

When I first held you I was cold	
A melting snowman I was told	
But there was no one there to hold	
Before I swore that I would be (1) for	ever more
Wow look at you now, flowers in the window	
It's such a lovely day	
And I'm glad you feel the same	
'Cause to stand up out in the crowd	
You are one in a million	
And I love you so	
Let's watch the flowers grow	
There is no (2) to feel bad	
But (3) are many seasons to feel back	d sad mad
It's just a (4) of feelings that we have	to hold
But I am here to help you (5) the load	
Wow look at you now, flowers in the window	
It's such a lovely day	
And I'm glad you feel the same	
'Cause to stand up out in the crowd	
You are one in a million	

And I love you so let's watch the (6) grow
So now we're here and now is fine
So far away from there and there is (7) time time
To plant new seeds and watch them grow
So there'll be flowers in the window when we go
Wow look at us now, flowers in the window
It's such a lovely day
And I'm glad you feel the same
Cause to stand up out in the crowd
You are one in a million
And I love you so let's watch the flowers grow
Oh wow (8) at you now, flowers in the window
It's such a lovely day
And I'm glad you feel the same
Cause to (9) up out in the crowd
You are one in a million
And I love you so let's watch the flowers grow, grow
Let's watch the flowers grow
