

Fill in the gaps

Flowers In The Window by Travis

When I first (1) you I was cold	And I love you so let's watch the flowers grow
A melting snowman I was told	So now we're here and now is fine
But there was no one there to hold	So far away (13) (14) and
Before I swore (2) I would be alone for ever more	(15) is time time
Wow look at you now, flowers in the window	To plant new (16) and (17)
It's (3) a (4) day	(18) grow
And I'm (5) you feel the same	So there'll be flowers in the window when we go
'Cause to stand up out in the crowd	Wow (19) at us now, (20) in the
You are one in a million	window
And I (6) you so	It's such a lovely day
Let's watch the (7) grow	And I'm (21) you feel the same
There is no reason to feel bad	'Cause to stand up out in the crowd
But there are many seasons to feel bad sad mad	You are one in a million
It's (8) a bunch of (9)	And I love you so let's watch the flowers grow
(10) we have to hold	Oh wow (22) at you now, flowers in the window
But I am here to (11) you (12) the load	It's such a (23) day
Wow look at you now, flowers in the window	And I'm glad you (24) the same
It's such a lovely day	'Cause to stand up out in the crowd
And I'm glad you feel the same	You are one in a million
'Cause to stand up out in the crowd	And I love you so let's (25) the
You are one in a million	(26) grow, grow
	Let's watch the flowers grow
