

## Fill in the gaps

When I (1) held you I was cold	And I love you so let's watch the flowers grow
A melting snowman I was told	So now we're here and now is fine
But there was no one there to hold	So far away (7) there and there is time time
Before I swore that I would be alone for ever more	To plant new seeds and watch them grow
Wow look at you now, flowers in the window	So there'll be flowers in the window when we go
It's such a lovely day	Wow look at us now, flowers in the window
And I'm glad you feel the same	It's such a lovely day
'Cause to stand up out in the crowd	And I'm glad you feel the same
You are one in a million	'Cause to stand up out in the crowd
And I (2) you so	You are one in a million
Let's watch the flowers grow	And I (8) you so let's watch the flowers grow
There is no reason to feel bad	Oh wow look at you now, flowers in the window
But there are many seasons to feel bad sad mad	It's such a lovely day
It's (3) a bunch of feelings (4) we have	And I'm glad you feel the same
to hold	'Cause to stand up out in the crowd
But I am here to help you with the load	You are one in a million
Wow (5) at you now, flowers in the window	And I love you so let's (9) the flowers grow, grow
It's (6) a lovely day	Let's (10) the flowers grow
And I'm glad you feel the same	
'Cause to stand up out in the crowd	
You are one in a million
