## Fill in the gaps

It's All Coming Back To Me Now				
There were nights when the wind was so cold				
That my body froze in bed				
If I just listened to it				
Right outside the window				
There were days when the sun was so cruel				
That all the tears turned to dust				
And I just knew my eyes were				
Drying up forever				
I finished crying in the instant (1) you left				
And I can't remember where or when or how				
And I banished every memory you and I had ever made				
But when you touch me like this				
And you hold me like that				
I just have to admit				
That it's all coming back to me				
When I touch you like this				
And I hold you like that				
It's so hard to believe but				
It's all coming back to me				
(it's all coming back, it's all coming back to me now)				
There were moments of gold				
And there were flashes of light				
There were things I'd never do again				
But then they'd always seemed right				
There were nights of endless pleasure				
It was more than any laws allow				
Baby baby				
If I (2) you like this				
And if you (3) like that				

## Fill in the gaps

It was gone with the wind

But it's all coming back to me

(it's all coming back, it's all coming back to me now)
