

And I want you

## Fill in the gaps

I want you by my side	We can bring it on the floor
So that I never (1) alone again	You've never danced like this before
They've always (2) so kind	But we don't talk about it
But now they've brought you away from here	Dancin' on
I hope they didn't get your mind	Doin' the boogie all night long
Your heart is too (3) anyway	Stoned in paradise
We need to (4) back the time	Shouldn't talk about it
They have stolen from us	And I want you
And I want you	We can bring it on the floor
We can bring it on the floor	You've never danced like this before
You've never danced like this before	But we don't talk about it
But we don't talk about it	Dancin' on
Dancin' on	Doin' the boogie all night long
Doin' the boogie all night long	Stoned in paradise
Stoned in paradise	Shouldn't talk about it
Shouldn't talk about it	Shouldn't talk about it
And I want you	And I want you
We can bring it on the floor	We can bring it on the floor
You've never danced like this before	You've (7) danced like this before
But we don't talk about it	But we don't talk about it
Dancin' on	Dancin' on
Doin' the boogie all night long	Doin' the boogie all night long
Stoned in paradise	Stoned in paradise
Shouldn't talk about it	Shouldn't talk about it
Shouldn't talk about it	And I want you
Coldest winter for me	We can bring it on the floor
No sun is shining anymore	You've never danced like this before
The only (5) I feel is pain	But we don't talk about it
Caused by (6) of you	Dancin' on
Suspence is controlling my mind	Doin' the boogie all night long
I cannot find the way out of here	Stoned in paradise
I want you by my side	Shouldn't talk about it
So that I never feel alone again	Shouldn't (8) (9) it
