

## Fill in the gaps

The key to my survival	You're no son, you're no son of mine
Was never in much doubt	But where should I go and what should I do
The question was how I could keep sane	You're no son, you're no son of mine
Trying to find a way out	But I (13) here for help, I came here for you
Things were never easy for me	Well the years they passed slowly
Peace of mind was hard to find	I thought about him everyday
And I needed a place where I could hide	What would I do, if we passed on the street
Somewhere I could call mine	Would I keep running away
didn't think much about it	In and out of (14) places
Til it started happening all the time	Soon I'd have to face the facts
Soon I was (1) (2) the	We'd have to sit down and talk it over
(3) everyday	And that would (15) going back
Of what might happen at night	They say time is a healer
couldn't stand to hear the	And now my wounds are not the same
Crying of my mother	I rang the bell (16) my heart in my mouth
And I remember when	I had to hear what he'd say
(4) that, that would be the	He sat me down to talk to me
_ast they'd see of me	He looked me straght in the eyes
And I never went home again	He said:
They say (5) is a healer	You're no son, you're no son of mine
And new my wounds are not the same	You're no son, you're no son of mine
rang the (6) with my heart in my mouth	You walked out, you left us behind
had to hear (7) he'd say	And you're no son, you're no son of mine
He sat me (8) to talk to me	Oh, his words how they hurt me, I'll never forget it
He looked me (9) in the eyes	And as the time, it (17) by, I lived to
He said:	(18) it
You're no son, you're no son of mine	You're no son, you're no son of mine
You're no son, you're no son of mine	But where (19) I go and (20)
You (10) out, you left us behind	should I do
And you're no son, you're no son of mine	You're no son, you're no son of mine
Oh, his (11) how they (12) me, I'll	But I came here for help, I came here for you
never forget it	
And as the time, it went by I lived to regret it
