

Fill in the gaps

I (1) us better when we're wasted	I like us (17) when we're wasted
It makes it (2) to (3) it	You are a catch 22
The (4) (5) we (6) talk	Either way I (18) out
Is when our (7) are (8) off	All of the grief I give you
I (9) us better (10) we're wasted	It's energy I can (19) without
It (11) it easier to say it	But I could stand you one more night
Lay all your laundry on the bed	I like us better when we're wasted
And then I'll lay in it instead	It makes it easier to say it
I like us better when we're wasted	Lay all your laundry on the bed
You are a glass half empty	And then I'll lay in it instead
Sipping my ocean dry	I like us better when we're wasted
Emotionally (12) me	I like us (20) when we're wasted
Till (13) of our planets could align	It makes it easier to say it
But I (14) you one more night	Lay all your laundry on the bed
I like us (16) when we're wasted	And then I'll lay in it instead
It makes it easier to say it	I like us (21) we're
Lay all your laundry on the bed	(23)
And then I'll lay in it instead
