Lovers On The Sun by David Guetta

Let's light it up, let's light it up	It's a feeling that's (13) (14) for
Until our (1) catch fire	Just (15) your eyes
Then show the world a burning light	And hold your breath
That (2) (3) so bright	Because it (16) right
We'll (4) a way, we'll (5) a way	We'll keep it moving
To keep the cold night	Until we (17) it to the other side
From breaking in over the walls	And let's enjoy the ride
Onto the (6) side	We're burning up
The (7) satisfied	We might as well be lovers on the sun
We're (8) up	We might as (18) be lovers on the sun
We (9) as (10) be lovers on the sun	We might as (19) be (20) on the
We (11) as well be lovers on the sun	sun
We might as well be lovers on the sun	Let's (21) it up, let's light it up
We'll never know, we'll never know	Until our hearts catch fire
What (12) behind the door	Then (22) the world a burning light
But I got a feeling	That never shined so bright
