## I Will Never Let You Down by Rita Ora

Fell me, baby, (1) we're gonna do	I know exactly how you feel
Ill make it easy, got a lot to lose	When you say you've had enough
Vatch the sunlight coming through	And you might just give it up
Open the window, let it shine on you	Oh, oh
Cause I've been sick and working all week	I will never let you down
And I've been doing just fine (Hey!)	When you're feeling low on love
ou've been tired of watching me	I'll be what you dreaming of
Forgot to have a good time, boy (Hey!)	Oh, oh
ou can't take it all these faces	I will never let you down
Never keeping it real	(Hey!)
know exactly how you feel	Oh, oh
When you say you've had enough	I will never let you down
And you might just give it up	(Hey!)
Dh, oh	Oh, oh
will never let you down	I will never let you down
When you're feeling low on love	Let me take you (6) you never go
III be (2) you dreaming of	Have a little fun, it's the only way we know
Dh, oh	Let me show you what you never see
will never let you down	You know how to love only when you're holding me
Hey!)	When you say you've had enough
Dh, oh	And you might just give it up
will never let you down	Oh, oh
Hey!)	I will never let you down
Dh, oh	When you're feeling low on love
will never let you down	I'll be what you dreaming of
There's a million (3) to go	Oh, oh
Oon't be embarrassed if you (4) control	I will never let you down
On the rooftop, now you know	When you say you've had enough
our body's frozen and you lost your soul	And you might just give it up
Cause I've been sick and working all week	Oh, oh
And I've been doing just fine (Hey!)	I will never let you down
ou've (5) tired of watching me	When you're feeling alone in love
Forgot to have a good time, boy (Hey!)	I'll be what you (7) of
ou can't take it all these faces	I (8) never let you (9)
