My Anaconda don't	By the way, what he say?
My Anaconda don't	He can tell I ain't missing no meals
My Anaconda don't (1) none unless you got buns	Come through and fuck 'em in my automobile
hun	Let him eat it with his grills,
Boy toy named Troy, used to live in Detroit	And he telling me to chill
Big dope dealer money, he was getting some coins	And he telling me it's real, that he love my sex appeal
Was in shootouts with the law, but he live in a palace	Say he don't like 'em boney, he want
Bought me Alexander McQueen, he was keeping me stylish	(6) he can grab
Now that's real, real, real,	So I pulled up in the Jag, (7) with
Gun in my purse, bitch I came dressed to kill	the jab like
Who wanna go first? I had them push daffodils	Dun-d-d-dun-dun-dun
I'm high as hell, I only (2) a (3) of pill	My Anaconda don't

Let him eat it with his grills,	Oh my gosh, look at her butt

Say he don't like 'em boney, he want something he can grab	Little in the middle but she got (8) back
