

Don't walk (1) like you always do,	I wanna get back,
This time,	Get back,
Baby you're the only thing that's been,	With you.
On my mind.	You (6) the (7) one I wanted.
Ever since you left I've been a mess,	And you were the first one I felt loved
You won't let it go far	You're the only one that I've been needing,
I'll say it once,	And I don't want to be lonely anymore.
And I'll leave you alone,	Chorus
But I gotta let you know.	I wanna get back, to the old days,
Chorus:	When the phone (8) ring,
I wanna get back, to the old days,	And I knew it was you.
When the phone would ring,	I wanna start back,
And I knew it was you.	And Get Yelled At
I wanna start back,	Fight for nothing, (9) we used to.
And Get Yelled At	Oh kiss me, like you mean it,
Fight for nothing, like we used to.	Like you miss me,
Oh kiss me, like you mean it,	Cause I know that you do.
Like you miss me,	I (10) get back,
Cause I know that you do.	Get back,
I wanna get back,	With you.
Get back,	(Get back)
With you.	Get back
You can be that way,	(Get back)
I see it in your eyes.	Get back
Don't worry about me,	(Get back)
I've been fine,	Get back
I'm not gonna lie I've (2) a mess,	(Get back)
Since you left,	Get back
And every time I see you,	Oh kiss me, like you mean it,
It gets more and (3) intense	Like you miss me,
Chorus	Cause I know that you do,
I wanna get back, to the old days,	I wanna get back,
When the phone would ring,	Get back,
And I knew it was you.	I wanna get back,
I (4) start back,	Get back,
And Get Yelled At	Get back,
Fight for nothing, like we used to.	Get back,
Oh kiss me, (5) you mean it,	With you.
Like you miss me,	
Cause I know that you do.
