I met this girl late last year	Wish I'd have written it down
She said don't you (1) if I disappear	The way that (20) played out
I told her I'm not really looking for another mistake	When she was kissing him
I called an old (2) thinking that the trouble	How? I was (21) about
would wait	She should figure it out (22) I'm sat here singing
But then I (3) (4) in	Don't fuck with my love
A week later returned	That (23) is so cold
I reckon she was (5) looking for a lover to burn	All over my home
But I gave her my time for two or three nights	I don't wanna know that babe
Then I put it on pause 'til the moment was right	Don't fuck with my love
I went away for months until our (6)	I told her she knows
(7) again	Take aim and reload
She told me I was never looking for a friend	I don't wanna (24) that babe
Maybe you could swing by my room around 10	[Knock knock knock] on my hotel door
Baby bring a lemon and a (8) of gin	I don't even know if she knows (25) for
We'll be in between the (9) 'til the late AM	She was crying on my shoulder
Baby if you wanted me (10) you should've just said	I already (26) ya
She's singing	Trust and respect is what we do (27) for
Don't (11) with my love	I (28) intended to be next
That heart is so cold	But you didn't need to take him to bed that's all
All over my home	And I (29) saw him as a threat
I don't wanna (12) that babe	Until you disappeared with him to have sex of course
Don't fuck with my love	It's not like we were both on tour
I told her she knows	We were staying on the same fucking hotel floor
Take aim and reload	And I wasn't looking for a promise or commitment
I don't wanna know that babe	But it was never just fun and I thought you were different
For a couple weeks I	This is not the way you realize what you wanted
Only want to see her	It's a bit too much, too late if I'm honest
We drink away the (13) with a take-away pizza	All this time God knows I'm singing
Before a text message was the (14) way to reach	Don't (30) with my love
her	That heart is so cold
Now she's staying at my place and loves the way I treat her	All over my home
Singing out Aretha	I don't wanna know that babe
All (15) the track like a feature	Don't fuck with my love
And never wants to sleep, I guess that I don't (16)	I told her she knows
to either	Take aim and reload
But me and her we make (17) the same way	I don't wanna know that babe
Four cities, two planes the same day	
Those shows have (18) been what it's about	
But maybe we'll go together and just figure it out	
I'd rather put on a film with you and sit on the couch	
But we (19) get on a plane	
Or we'll be missing it now
