

## Fill in the gaps

Love comes close to you
Your (1) it makes me stronger
No matter what we're going through
I won't look back, won't look, won't look back
I won't look back, won't look, won't look back
You (2) me wanna live forever
You're my remedy to yesterday
Now my struggle seems so far away
And (3) will never be the same
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side, yeah
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side
Love (4) close to you
Your (5) it makes me stronger
No matter what we're going through
I won't look back, won't look, won't look back
I won't look back, won't look, won't look back
You make me wanna live forever
You're my remedy to yesterday
Now my struggle seems so far away

And life will never be the same
I wish love was always this easy
But (6) now and then it brings us down
But I know that I can count on you
To keep the music playing on, on, on (no)
Living it up, living it up, living it up
Life ain't a party, you are dancing by my side, yeah
Living it up, living it up, living it up
Life ain't a party, you are (7) by my side
Love (8) close to you
Your love it makes me stronger
No matter what we're going through
I won't look back, won't look, won't look back
I won't look back, won't look, won't look back
You make me wanna (9) forever
You're my remedy to yesterday
Now my struggle seems so far away
And (10) will never be the same
