Superheroes by The Script

Fill in the gaps

All her life she has seen	Turn the pain into power
All the meaner side of me	Every day, every hour
They took away the prophet's dream for a profit on the street	Turn the pain into power
Now (1) stronger than you know	She's got lions in her heart
A heart of steel starts to grow	A fire in her soul
All his life he's been told	He's a got a beast in his belly
He'll be nothing when he's old	That's so hard to control
All the kicks and all the blows	'Cause they've (7) too much hits
He won't ever let it show	Taking blow by blow
Cause he's stronger than you know	Now light a match, stand back, watch them explode
A heart of steel starts to grow	She's got lions in her heart
When you've been fighting for it all your life	A fire in her soul
You've been struggling to make things right	He's a got a beast in his belly
That's how a superhero learns to fly	That's so hard to control
Every day, every hour	'Cause they've taken too much hits
Turn the pain into power	Taking (8) by blow
When you've been fighting for it all your life	Now light a match, stand back, (9) them explode
You've been (2) every day and night	When you've been fighting for it all your life
That's how a superhero learns to fly	You've been struggling to make things right
Every day, every hour	That's a how a superhero learns to fly
Turn the pain into power	Every day, every hour
All the hurt, all the lies	Turn the pain into power
All the tears that they cry	When you've been fighting for it all your life
When the moment is just right	You've been working every day and night
You see fire in their eyes	That's a how a superhero learns to fly
Cause he's (3) than you know	Every day, every hour
A heart of steel starts to grow	Turn the pain (10) power
When you've been fighting for it all (4) life	Oh, yeah
You've (5) struggling to make things right	Every day, every hour
That's how a (6) learns to fly	Turn the pain into power
Every day, every hour	Ooh, yeah
Turn the pain into power	Whoa
When you've been fighting for it all your life	Every day, every hour
You've been working every day and night	Turn the pain into power
That's how a superhero learns to fly	When you've been fighting for it all your life
Every day, every hour	You've been struggling to make things right
Turn the pain into power	That's how a superhero learns to fly
Every day, every hour
