

Black Widow (feat. Rita Ora) by Iggy Azalea

I'm gonna love ya	I'm gonna I-I-I-love you until it hurts
Until you hate me	Just to get you I'm doing whatever works
And I'm (1) show ya	You've never met nobody
What's really crazy	That'll do you how I do ya
You should've known better	That will bring you to your knees
Than to mess with me, honey	Praise Jesus hallelujah
I'm gonna love ya, I'm gonna (2) ya	I'm-a make you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're both down to play then somehow you go astray	Wake up and dream for it
We went from nothing to something, liking to loving	Till it's got you gasping for air
It was us against the world and now we just fucking	And you lean for it
It's like I loved you so much and now I just hate you	'Till they have a CAT scan and check on your mind
Feeling stupid for all the time that I gave you	And it's nothing but me, on it (on it, on it, on it)
I wanted all or nothing for us ain't no place in between	Now it's me-time believe that
Might, might be me believing what you say that you never	If it's yours when you want it
mean	I wouldn't promise I need that
Like it'll last forever but now forever ain't as long	Till I'm everywhere that you be at
