

Fill in the gaps

I'm Not The Only One by Sam Smith

You and me, we made a vow	'Cause you don't think I know what you've done
For (1) or for worse	But when you call me baby
I can't (2) you let me down	I know I'm not the (7) one
But the proof's in the way it hurts	I have loved you for (8) years
For months on end I've had my doubts	Maybe I am just not enough
Denying every tear	You've made me realize my deepest fear
I wish (3) would be (4) now	By lying and tearing us up
But I know that I still need you here	You say I'm crazy
You say I'm crazy	'Cause you don't think I know what you've done
'Cause you don't think I know what you've done	But when you call me baby
But when you call me baby	I know I'm not the only one
I know I'm not the only one	I know I'm not the only one
You've (5) so unavailable	I (9) I'm not the only one
Now sadly I know why	And I know
Your heart is unobtainable	I know I'm not the only one
Even though (6) knows you kept mine	
You say I'm crazy
