### Lullaby (feat. Tori Kelly) by Professor Green

...

All the time I have (1)\_\_\_\_\_ in your love  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Can you sing me a last lullaby?  
It's been a while since I last dreamt  
Barely remember what it's like to dream  
Finding it hard to get to sleep, too stressed  
And there ain't anyone to (2)\_\_\_\_\_ a lullaby to me  
Pretend shit doesn't get to me  
And I suffer in silence when I'm hurting  
A man's problems are his own  
And it's my burden  
Tossing and turning, trying to get to sleep  
But I find it hard to switch off when my mind's working  
I ponder on things I shouldn't ponder on  
Off the rails, my train of thought's wandering  
Sick of pretending to be so happy  
All the while my anxiety's away at me  
My skin crawling, I (3)\_\_\_\_\_ up to the sky  
And it falls, the walls close in and it's  
As if all the good in my life disappears  
In an instant, (4)\_\_\_\_\_ thing is (5)\_\_\_\_\_ so distant  
So seeing the ones who I love, the ones who love me  
But I don't wanna tell em how I feel in case they judge me  
It's just me, wish I could let somebody in  
But I ain't (6)\_\_\_\_\_ been too trusting  
All the time I have layed in your love  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Can you sing me a last lullaby?  
I've barely had any sleep when I get up  
Sick of all these nightmares and these night terrors  
Like it's only when I'm in heaven that I (7)\_\_\_\_\_ better  
Might sleep better when I get up, I'm weak

It just makes my day harder, I wonder if  
It would've been any (8)\_\_\_\_\_ if I had a  
father that I knew  
Could it have helped shape the way that I grew?  
But the point of things I never have went from  
Being a reason for the things that I do  
To just being an excuse that I'd use  
I've (9)\_\_\_\_\_ take responsibility for the things I do  
Find something other than negativity for my fuel  
But I feed off it, even when I don't seem bothered  
I hide everything that's going on inside  
Guess it's been a while since I've been honest, I need help  
But I deny it and even lie to myself like I'm fine  
All the time I have layed in your love  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Can you sing me a last lullaby?  
I just wish someone would tell me it would be OK  
But pessimism leads me to believe that it won't  
To see even a glimmer of hope in the darkness  
Is hard and depression is a slippery slope  
I don't wanna do what my dad did with a rope, though  
So I carry on even though it's hard to  
The only thing that's definite is (10)\_\_\_\_\_ and things  
always change  
As long as you give em a chance to  
All the time I have layed in your love  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Can you sing me a last lullaby?  
(Can you sing me a last lullaby?)  
All the time I have layed in your love  
When your love kept me safe through the night  
All the time I was sure you were mine  
And before time demands our goodbye  
Can you sing me a last lullaby?
