Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I (15) If
All the time I have layed in your love	It would've been any different if I had a father that I knew
When your love kept me safe through the night	Could it have helped shape the way that I grew?
All the time I was sure you were mine	But the (16) of (17) I never
And (1) time (2) our	(18) went from
goodbye	Being a reason for the things that I do
Can you sing me a last lullaby?	To just being an excuse (19) I'd use
It's been a while since I last dreamt	I've gotta take responsibility for the things I do
Barely remember what it's like to dream	Find something other than (20) for
Finding it hard to get to sleep, too stressed	my fuel
And there ain't anyone to sing a lullaby to me	But I feed off it, even when I don't seem bothered
Pretend shit doesn't get to me	I hide everything that's going on inside
And I suffer in (3) (4) I'm hurting	Guess it's been a while since I've (21) honest, I
A man's problems are his own	need help
And it's my burden	But I deny it and even lie to myself like I'm fine
Tossing and turning, trying to get to sleep	All the time I have layed in your love
But I (5) it hard to switch off when my mind's	When your love kept me safe through the night
working	All the time I was sure you were mine
I ponder on things I shouldn't (6) on	And before time demands our goodbye
Off the rails, my train of thought's wandering	Can you sing me a (22) lullaby?
Sick of pretending to be so happy	I just wish (23) would tell me it would be
All the while my anxiety's away at me	OK
My skin crawling, I look up to the sky	But pessimism (24) me to believe that it won't
And it falls, the walls close in and it's	To see even a glimmer of hope in the darkness
As if all the good in my life disappears	Is hard and depression is a slippery slope
In an instant, that thing is just so distant	I don't wanna do what my dad did with a rope, though
So seeing the ones who I love, the ones who love me	So I carry on even though it's hard to
But I don't wanna (7) em how I feel in case they	The only thing that's definite is death and things always
judge me	change
It's just me, wish I could let somebody in	As long as you give em a chance to
But I ain't ever been too trusting	All the time I have (25) in your love
All the time I (8) layed in (9) love	When (26) love kept me safe through the night
When your love kept me safe (10) the night	All the time I was sure you were mine
All the time I was sure you (11) mine	And before time demands our goodbye
And before time demands our goodbye	Can you (27) me a last lullaby?
Can you sing me a last lullaby?	(Can you sing me a last lullaby?)
I've barely had any sleep when I get up	All the time I have layed in your love
Sick of all these nightmares and these night terrors	When your love (28) me (29) through
Like it's only when I'm in heaven (12) I sleep better	the night
Might (13) (14) when I get up,	All the time I was (30) you were mine
I'm weak	And before time demands our goodbye
	Can you sing me a last lullaby?
