

## Fill in the gaps

The garden was blessed by the Gods of me and you	When I dance alone, and the sun's (16)
We headed (1) to (2) ourselves	down,
(3) truth, ooh	Blame it on me
What you (4) for?	When I lose control and the veil's overused,
What you waiting for?	Blame it on me
We (5) all our reasons,	What you waiting for?
(6) that we made	What you (17) for?
We (7) (8) (9)	What you waiting for?
treasure, and (10) it all away	What you (18) for?
What you waiting for?	When I dance alone, and the sun's bleeding down,
What you (11) for?	Blame it on me
What you waiting for?	When I (19) control and the veil's overused,
What you waiting for?	Blame it on me
When I (12) alone, and the sun's bleeding down,	When I dance alone, I (20) I'll go
Blame it on me	Blame it on me ooh
When I (13) (14) and the veil's	When I'll (21) control, I (22) I'll go
overused,	Blame it on me ooh
Blame it on me	What you (23) for?
What you waiting for?	What you waiting for?
What you waiting for?	What you (24) for?
Caught in the tide of blossom, caught in the carnival	What you (25) for?
Your (15) forgotten, I see the	
gypsies run	
What you waiting for?
