

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your (1)_____ still remember the taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my (2)_____ could still feel as (3)_____
at (4)_____ three
And I'm thinking about how
People fall in love in mysterious ways
Maybe (5)_____ the touch of a hand
Well me I fall in love with you (6)_____ single day
And I just (7)_____ to tell you I am
So (8)_____ now
Take me into your (9)_____ arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my (10)_____ fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because honey (11)_____ soul (12)_____ never
(13)_____ old

It's evergreen
And (14)_____ your smile is forever
In my mind and memory
I'm thinking about how
People fall in (15)_____ in mysterious ways
And maybe it's all part of a plan
I'll (16)_____ (17)_____ on (18)_____ the
same mistakes
Hoping that you'll understand
That baby now
Take me into (19)_____ loving arms
Kiss me (20)_____ the light of a
(21)_____ stars
Place (22)_____ head on my (23)_____
heart
I'm thinking out loud
Baby we found love
Right (24)_____ we are
So baby now
Take me into your loving arms
Kiss me under the light of a (25)_____ stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we (26)_____ love right where we are
And we found love right where we are

Fill in the gaps

Answer

1. mouth
