

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like (1)_____ used to before
And I can't (2)_____ you off of your feet
Will (3)_____ mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm (4)_____ (5)_____ how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I (6)_____ in (7)_____ (8)_____ you
(9)_____ (10)_____ day
And I just want to (11)_____ you I am
So honey now
Take me into (12)_____ loving arms
Kiss me under the (13)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because honey your (14)_____ could (15)_____
grow old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm (16)_____ about how
People fall in love in (17)_____ ways
And (18)_____ it's all (19)_____ of a plan
I'll just keep on (20)_____ the (21)_____
mistakes
Hoping (22)_____ you'll (23)_____
That baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into (24)_____ loving arms
Kiss me under the (25)_____ of a thousand stars
Oh darling, place your (26)_____ on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we (27)_____ love right (28)_____ we
are
And we found love right where we are
