

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your (1)_____ don't work like they used to before
And I can't sweep you off of your feet
Will your (2)_____ (3)_____ remember the taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could (4)_____ (5)_____ as hard at twenty three
And I'm (6)_____ about how
People fall in love in mysterious ways
Maybe just the (7)_____ of a hand
Well me I fall in love with you (8)_____ single day
And I (9)_____ (10)_____ to tell you I am
So (11)_____ now
Take me into your (12)_____ arms
Kiss me under the light of a thousand stars
Place (13)_____ (14)_____ on my (15)_____ heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the (16)_____ the same way
I know you will still love me the same
Because (17)_____ your soul (18)_____ never grow old

It's evergreen
And baby your smile is (19)_____
In my mind and memory
I'm thinking about how
People (20)_____ in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on (21)_____ the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm (22)_____ out loud
Baby we (23)_____ love
Right where we are
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, (24)_____ your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love right where we are
And we found love right where we are

Answer

Fill in the gaps
