

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your (1)_____ don't work like (2)_____ used to before

And I can't sweep you off of your feet

Will your mouth still remember the (3)_____ of my love?

Will (4)_____ eyes still smile from your cheeks?

Darling I (5)_____ be loving you till we're seventy

And baby my heart could still (6)_____ as hard at twenty three

And I'm thinking about how

People fall in (7)_____ in (8)_____ ways

Maybe just the touch of a hand

Well me I fall in love with you every single day

And I (9)_____ want to tell you I am

So (10)_____ now

Take me into your (11)_____ arms

Kiss me under the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Maybe we found love

Right where we are

When my hairs all but gone

And my (12)_____ fades

And the (13)_____ don't remember my name

When my hands don't play the strings the (14)_____ way

It's evergreen

And baby your (15)_____ is forever

In my mind and memory

I'm thinking (16)_____ how

People fall in love in (17)_____ ways

And maybe it's all (18)_____ of a plan

I'll just (19)_____ on making the (20)_____ mistakes

Hoping (21)_____ you'll understand

That baby now

Take me into (22)_____ loving arms

Kiss me (23)_____ the light of a thousand stars

Place your head on my beating heart

I'm thinking out loud

Baby we found love

Right where we are

So baby now

Take me into your loving arms

Kiss me under the light of a thousand stars

Oh darling, place your head on my beating heart

I'm thinking out loud

Baby we found love right where we are

Baby we (24)_____ love right (25)_____ we are

And we (26)_____ love (27)_____ where we are

I know you will still love me the same

Because honey your soul could never grow old

Fill in the gaps

Answer

1. legs
