

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth (1)_____ (2)_____ the
taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still feel as (3)_____ at twenty
three
And I'm thinking about how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every (4)_____ day
And I just want to (5)_____ you I am
So honey now
Take me into your loving arms
Kiss me (6)_____ the light of a thousand stars
Place (7)_____ head on my (8)_____ heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my (9)_____ fades
And the (10)_____ don't remember my name
When my (11)_____ don't play the strings the same
way
I know you will still love me the same
Because honey (12)_____ soul could never
(13)_____ old

It's evergreen
And baby (14)_____ smile is forever
In my (15)_____ and memory
I'm (16)_____ about how
People (17)_____ in (18)_____ in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me (19)_____ your loving (20)_____
Kiss me under the light of a thousand stars
Place your head on my (21)_____ heart
I'm thinking out loud
Baby we found love
Right (22)_____ we are
So (23)_____ now
Take me into your (24)_____ arms
Kiss me under the (25)_____ of a thousand stars
Oh darling, place your (26)_____ on my beating heart
I'm (27)_____ out loud
Baby we found love right where we are
Baby we found love right where we are
And we found love right where we are

Answer

1. still
