

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't (1)_____ you off of your feet
Will your mouth still remember the (2)_____ of my
love?
Will (3)_____ eyes still smile from (4)_____ cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm (5)_____ about how
People fall in love in (6)_____ ways
Maybe just the touch of a hand
Well me I fall in love with you (7)_____ single day
And I just want to tell you I am
So honey now
Take me into (8)_____ (9)_____ arms
Kiss me under the light of a thousand stars
Place (10)_____ head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the (11)_____ way

I know you will still love me the same
Because (12)_____ your soul could never grow old

It's evergreen
And baby your smile is forever
In my (13)_____ and memory
I'm thinking about how
People fall in love in mysterious ways
And (14)_____ it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll (15)_____
That (16)_____ now
Take me (17)_____ your loving arms
Kiss me under the (18)_____ of a
(19)_____ stars
Place your (20)_____ on my beating heart
I'm thinking out loud
Baby we (21)_____ love
Right where we are
So baby now
Take me into (22)_____ loving arms
Kiss me (23)_____ the (24)_____ of a
(25)_____ stars
Oh darling, place (26)_____ head on my beating heart
I'm thinking out loud
Baby we (27)_____ love right where we are
Baby we found love (28)_____ where we are
And we found love right where we are

Fill in the gaps

Answer
