

## Fill in the gaps

Loving can hurt	So you can keep me inside the (7)
Loving can hurt sometimes	Of your ripped jeans
But it's the only thing that I know	Holding me closer until our eyes meet
when it gets hard	You won't ever be alone
You know it can get hard sometimes	And if you hurt me
It is the only (1) that makes us feel alive	That's ok baby only words bleed
We keep this love in a photograph	Inside these pages you just hold me
We made these memories for ourselves	And I won't ever let you go
Where our eyes are never closing	Wait for me to come home
Our hearts are never broken	Wait for me to come home
And time's are forever frozen still	Wait for me to come home
So you can keep me, Inside the pocket	Wait for me to come home
Of (2) ripped jeans	Oh, you can keep me
Holding me close (3) our eyes meet	Inside the necklace you bought when you were sixteen
You won't ever be alone	Next to your heartbeat
Wait for me to (4) home	Where I should be
Loving can heal	Keep it deep within your soul
Loving can mend your soul	And if you hurt me
And is the only thing that I know	Well, that's ok baby only words bleed
I swear it will get easier	Inside these pages you just hold me
Remember that with every piece of you	And I won't ever let you go
And it's the only thing to take with us when we die	When I'm away
We keep this love in a photograph	I (8) remember how you (9) m
We made (5) memories for ourselves	Under the lamppost back on sixth street
Where our eyes are never closing	Hearing you whisper through the phone
Our hearts were never broken	Wait for me to come home
And times forever frozen (6)
