

Fill in the gaps

It's easy to fall in love	Still it's hard to put the fire out
But it's so hard to break somebody's heart	What seemed (18) a good idea's
What seemed (1) a good idea	Turned into a (19)
Has turned into a battlefield	Feelings are shifting like the tide
Once lust has (2) to (3)	And I think too much about the future
And all that's left has held breath	What seemed like a good idea's
Forgotten who we first met	Turned into a battlefield
What seemed like a good idea's	We both know it's coming
Turned into a battlefield	Does illusion count for something we had?
We both know it's (4)	The surface tension's gotta break
Does (5) count for something we had?	One drop is all it takes to flood out this lie
The surface tension's gotta break	You and I, we have to let each (20) go
One drop is all it (6) to (7) out this	We keep holding on, but we (21) (22)
lie	What seemed like a good idea's
You and I, we (8) to let each other go	Turned into a battlefield
We keep holding on, but we (9) (10)	Peace will come when one of us puts down the gun
What seemed (11) a good idea's	Be strong for (23) of us
Turned into a battlefield	No, please, don't run, don't run
Peace (12) (13) when one of us	Eye to eye we face our fears
(14) (15) the gun	Unarmed on battlefield
Be strong for both of us	We seemed like a good (24)
No, please, don't run, don't run	We seemed like a good (25)
Eye to eye we face our fears	We seemed like a good (26)
Unarmed on battlefield	We seemed like a good idea
We seemed like a good idea	
We seemed like a (16) (17)	
No blood will spill if we both get out now
