## If You Say So by Lea Michele

## Fill in the gaps

Seven whole days, seven (1) days	How could you leave me this way
Since you paralyzed me	It's been seven whole days without your embrace
Seven whole days, (2) whole days	I wanna see your face
Since you lost (3) fight	I got some things to say
And I can't get the last words that you said	Was just a week ago
Can't get those words out of my head	You said I love you girl
Seven whole days, seven whole days and four words	I said I love you more
And I can't get away from the burning pain a light you wake	And a breath, a pause, you said, if you say so
And the fallen hero haunts my thoughts	If you say so
How could you leave	If you say so
me this way	If you say so
It's been seven whole days without your embrace	I can't believe it's true
I wanna see your face	I keep (9) for you
I got some things to say	I check my phone and wait to hear from you in a crowded
Was just a week ago	room
You (4) I love you girl	The joker is so cruel
I said I love you more	And now I'll never know if all I've been told is (10) a
And a breath, a pause, you said, if you say so	lie so false
If you say so	I thought we would grow old
If you say so	Mirrors in the smoke
If you say so	Left me here choke
It's been seven whole days, seven whole days	It's been seven whole days without your embrace
Since I heard the phone ring	I wanna see your face
Seven whole days, seven (5) days	I got some things to say
Since I heard your voice	Was just a week ago
And I can't get the last (6) that you said	You said I love you girl
Can't get (7) words out of my head	I said I love you more
It's been (8) whole days, seven whole days of	And a breath, a pause, you said, if you say so
pure hurt	If you say so
And I can't get away from the burning pain a light you wake	If you say so
And the fallen hero haunts my thoughts	If you say so
