

All I ever hear are whispers x2

Fill in the gaps

Come out of the shadow	But I just wanna, hear your voice
Step into the light	Don't be afraid
This could be the moment	Why don't you scream a little louder?
Are you ready to fight?	Turn it up, I know you can
Don't you know? You know?	Come on and scream a little louder
You're not the only one	Oh Oh Oh Why don't you scream a little louder?
